

One Hundred First Legislature - Second Session - 2010
Introducer's Statement of Intent
LB 895

Chairperson: Chris Langemeier
Committee: Natural Resources
Date of Hearing: January 28, 2010

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 895 would change the process for filling vacancies on Natural Resource District (NRD) Boards.

Presently, if a vacancy occurs on a NRD Board, the remaining board members select a new member to fill out the remainder of the term. LB 895 would change NRD vacancy provisions to mirror the process for state senators. If a person is appointed to fill a vacancy in the first or second year of a term, that individual would have to run again at the next general election.

Principal Introducer:

Senator Charlie Janssen
